We'd like to advise you to keep this document handy ([bookmark it in your internet browser](#)) and/or save it to your desktop, but please avoid saving any templates as, next time round, you might not be using the latest version. [Enjoy the tour!](#)

A few tips to avoid any problems with saving or calculating when filling in a form

- First save the blank form on your hard drive (*right click on the document name and "save as..."*)
- Launch a recent version of Acrobat Reader
- Open the form using the Acrobat Reader menu (*File - Open*)
